MARK SOUSA ON THE FILMING OF *Double Identity*

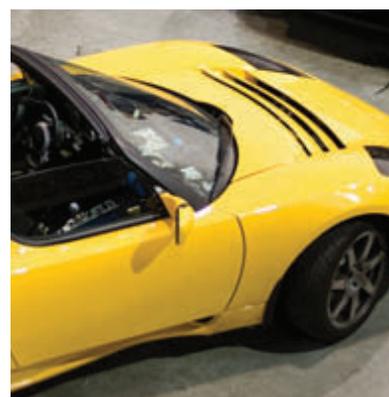

06

OPERATIVE WORDS STUMBLING INTO MARK'S INNER CIRCLE

The star from *Double Identity*, who prefers installing a skylight to the limelight, talks about working on the one of the toughest film shoots in history; his family; and the starlet who's not doing a very good job of hiding in his bathroom.

02 THE NEXT INSIDE TESLA MOTORS®

The company that built the first high-performance, environmentally-friendly sports car opens up its factory, shares some of their secrets, and puts the vehicle to the ultimate test: putting two sworn enemies in the same two-seater.

04 DATA ADDICT FACTS AND FIGURES ABOUT WHAT'S NEW AND NOTEWORTHY

How much wood would a woodchuck chuck if a woodchuck did chuck wood? We leave that to lesser minds. But if you want to talk Kierkegaard, you've come to the right place.
